# AERO COLLE CONTACT

## HIGH PERFORMANCE TRANSPARENT ADHESIVE

# 1. PRESENTATION

AERO COLLE CONTACT is an adhesive designed for multi-material assembly and plating.

### 2. ADVANTAGES

- Colourless and flexible adhesion
- Very good water resistance.
- High performance contact adhesive.
- · Quick assembly.
- Easy to use.
- High covering capacity: approximately 6 to 10 m<sup>2</sup> per can of aerosol.

### 3. AREAS OF APPLICATION

### **AERO COLLE CONTACT**

- Allows most materials to adhere to various substrates such as paper, cardboard, plastic, foam, fabric, wood, glass.
- Effective on plastic or polymer surfaces.

# 4. INSTRUCTIONS

Surfaces must be clean, dry and free of dust before applying.

Surfaces covered with grease or very dirty must be cleaned first using **EURO KLINE** and dried in the open air.

- Shake the aerosol can vigorously before use.
- Hold the aerosol can upright and spray a homogeneous coat from a distance of 25 cm.
- The adhesive should form a film with a non "wet" appearance, otherwise spray from a little further away.
- For better adhesion, use a double adhesive application by spraying on both sides of the materials to be joined.
- Wait approximately 1 minute for the adhesive's solvent to evaporate and press hard on the surfaces covered with the adhesive until it firmly sets.
- After each use, purge the aerosol can upside down.
- Any traces can be removed using NETT BROSS.

# 5. CHARACTERISTICS

Appearance: thin liquid  $5^{\circ}$ C to  $30^{\circ}$ C Aerosol can capacity: 650 ml Net volume: 400 ml

Flammable product

(For more information, please refer to paragraph 9 of the safety data sheet).

# 6. SAFETY OF USE

- See the product's Safety Data Sheet at www.quickfds.fr.
- Follow the instructions relating to the storage and handling of gas-filled pressure vessels.

The details provided in this Data Sheet are given in good faith, for information purposes only. They shall not in any case constitute a guarantee on our part, or engage our responsibility when using our products. This Data Sheet supersedes all previous versions. Compagnie France Chimie reserves the right to make changes to its products and to this data sheet without prior notice. Our clients shall ensure, before any implementation, that these instructions have not been replaced by a more recent version that takes into account new technical data.
