

DORTHZ LINGETTES WHITE

CLEANING WIPES FOR HANDS AND SURFACES

1. PRESENTATION

White wipes that combine a very high quality liquid detergent and a wipe with **high cleaning power**, thus providing effective cleaning of hands, tools and surfaces without no water required.

2. ADVANTAGES

Easy-to-use pre-cut wipes packaged in a dispenser box.

Suitable for use by all professions and easily stored in any vehicle thanks to its small dimensions.

Use on dry hands without rinsing.

Dries quickly without leaving any residues on hands (and without making them dry) or traces on substrates.

Ideal for use in the absence of a water supply facility on construction sites.

Removes all the most common traces of dirt from any substrate or material.

Non classified product.

3. AREAS OF APPLICATION

- Construction: all trades.
- Industry: automotive maintenance, marine, aviation...
- Garage.
- Municipality.
- Public works, transport company.
- Farmer.

Used for:

- Smoothing joints.
- Giving a like-new appearance to painted surfaces or old sealants.
- Removing fresh stains of sealant, oil, grease, paint, glue, tar, ink...
- Removing traces and bad odours of gasoline and diesel.
- Removing fresh, non-hardened traces of polyurethane foams.
- Cleaning the interior of cars and light or heavy commercial vehicles.

4. INSTRUCTIONS

Open the lid.

Pull the middle wipe and pass it through the lid slit designed for that purpose.

Place the lid back on the box.

Take wipes according to your needs.

Use the wipe while it is wet.

When used for washing hands, use the wipe like a towel while putting emphasis on the dirty parts.

When cleaning surfaces, rub the wipe directly on the surfaces that require cleaning. For a brilliant result, finish with a clean cloth.
