# AERO NETT SILICONE

## LONG-LASTING BRIGHTNESS & PROTECTION

### 1. PRESENTATION

**AERO NETT SILICONE** is a product packaged as an aerosol specially designed to **brighten all types of surfaces**.

For professional use only.

### 2. ADVANTAGES

- **Forms a protective film with water-repellent and stain-resistant properties.**
- Prevents dust from settling.
- **Gives materials a particularly brilliant and long-lasting shine.**
- **Results in a non-greasy surface.**
- The silicone resin provides the substrate with better protection against mechanical defects (scratches, etc...)

### 3. AREAS OF APPLICATION

**AERO NETT SILICONE** can be applied on surfaces in the following areas:

- **Automotive:** dashboards, trim, seats...
- **Furniture:** modern, rustic, kitchen...
- **Decoration:** wood, laminates, marbles, hard surfaces...
- **Office equipment:** telephone, computers, furniture...

### 4. INSTRUCTIONS

Shake before use.

Spray evenly towards the area to be treated, from a distance of approximately 20 cm.

Leave to dry for a short time then polish with a soft cloth.

### 5. CHARACTERISTICS

Appearance:	thin liquid
Density:	< 1
Flash point:	< 0°C
Aerosol can capacity:	650 ml
Net volume:	500 ml

(For more information, please refer to paragraph 9 of the safety data sheet).

### 6. SAFETY OF USE

- See the product's Safety Data Sheet at [www.quickfds.fr](http://www.quickfds.fr).
- **Extremely flammable.**
- Pressurized container: protect from direct sunlight.
- Do not pierce or burn, even after use.
- Do not expose to temperatures exceeding 50°C.

*The details provided in this Data Sheet are given in good faith, for information purposes only. They shall not in any case constitute a guarantee on our part, or engage our responsibility when using our products. This Data Sheet supersedes all previous versions. Compagnie France Chimie reserves the right to make changes to its products and to this data sheet without prior notice. Our clients shall ensure, before any implementation, that these instructions have not been replaced by a more recent version that takes into account new technical data.*

**Product solely intended for professional use.**
